Minimum part-exchange of £3,745 regardless of your vehicle's condition

Commercial Feature

If you're thinking of buying a new car then it's time to take a good look at what Barlow Motors and SEAT have to offer.

Right now, if you purchase a brand-new SEAT, you'll gain an amazingly generous minimum part exchange deal for your current car of £3,745 no matter what your vehicle's condition, even if it doesn't have a MOT!

Yes, that's right, you'll gain all that money for the car you own at the moment should you choose to purchase a new SEAT Ibiza, even if your current car is a non-runner! There are no exclusions to this offer and Barlow Motors will even pick it up for you.

What's more, when you buy a new SEAT you'll not need to pay a deposit and it's also worth knowing that monthly payments for a new SEAT car start from only £129 a month*.

Barlow Motors' Dealer Principal Andrew Bolton says: "With SEAT offering it's best-ever range along with some truly exceptional offers, there's never been a better time to visit us at No 1, Evans Street off New Hampton Road West in Wolverhampton.

SEAT car sales have been rising to new heights over the past year on the back of some hugely impressive new models arriving, including the brilliant all-new Ateca, the SEAT brand's first SUV."

Andrew continues: "In addition to exciting new offers we have fantastic deals on our superbly-prepared SEAT Approved used cars too at our recently refurbished dealership.

"We have invested around a quarter of a million pounds in a complete refurbishment programme to bring our site right up to date.

"We have a fantastic new showroom which incorporates SEAT's latest corporate identity into its decor.

"We have new furnishings and just about everything possible to offer our customers a wonderful environment in which to discuss the purchase of their next vehicle.

"This investment in new facilities stands as testament to our confidence in both the continued success of the SEAT brand and the local car market."

Barlow Motors is one of the Midlands' longest operating dealerships having been originally established in 1945, following the end of the Second World War. While a great deal has changed within the motor industry over the past 71 years, at Barlow Motors, one thing has stayed the same, and that's a complete focus on what the customer wants, the requirements of customers have always come first!

Friendly, well-trained and efficient, there's a great team behind this dealership which

makes dealing with Barlow Motors an enjoyable experience, whatever you wish to do, whether it's buying a new or used car, having your current vehicle maintained or MOT tested or simply the purchase of a SEAT part or accessory.

It's the kind of place that makes the purchase or maintenance of a car pleasurable and cost competitive.

Staff members do their utmost to accommodate the needs of their customers. Take the Motability Accredited team for instance.

They're more than happy to come to customers' homes or workplaces if it makes it easier for Motability customers to view or test drive cars. SEAT has a lot to offer Motability consumers and the team's SEAT product knowledge and experience of the scheme enables them to provide useful advice.

As far as the £3,745* minimum part-exchange and "no deposit deal is concerned, you'd better purchase your new SEAT soon or you could miss out on the motoring offer of a lifetime.

Find out more by calling (01902) 714503 or, best of all, call into Barlow Motors' smart new dealership at 1 Evans Street, off New Hampton Road West, Wolverhampton WV6 0PL.
